

I had **loose tooth,**

a wiggly, jiggly **loose tooth.**

I had a **loose tooth,**

hanging by a thread!

So I pulled my **loose tooth,** my wiggly, jiggly **loose tooth.**

I put it 'neath my pillow

and then I went to bed.

A fairy took my **loose tooth,** my wiggly, jiggly **loose tooth.**

So now I have a coin

and a hole in my head.
