How to Write a Summary for a Mystery

Fill in the blanks.

~~This summary is about an episode from a TV show, "Scooby Doo Don't Fool with the Phantom" by Hannah Barbra. This episode takes place in a TV studio, wax museum during late 1960's. We know this as this TV series started back in the 1960's. The main characters are the cowardly Shaggy and Scooby, smart Daffy, the leader Fred, and brave Velma. The main conflict of the story is that someone broke into the TV station and stole the money and took the manager. A few events happened such as, the lights went out, the money and the manger was missing, they go to Grigsby's house, and also went to the wax museum, they also got chased by the monster and caught the monster in wax. Some of the red hearings were, Grigsby, Johnny, and the ticket. The moment that caused rising action and suspense is when they unmasked the monster as I was wondering who was in it. Finally, the conflict is resolved when the monster turns out to be Stevens aka the manager. His plan was that if he was missing and a wax monster is there they'll think it will be Grigsby, as the manager knew Grigsby said that he would be back with a wax monster. Also if the manager went missing, people will suspect more that it's Grigsby as Grigsby held a grudge against the manager and the company.~~
